

Higher semester UG FEE CIRCULAR

This is to bring to the kind information of all BE students of 2nd year (3rd semester), 3rd year (5th semester), and 4th year (7th semester), as well as the respective Heads of Departments, that the last date for payment of fees was earlier fixed as **15.10.2025**.

It has been observed that many students have not paid the fees within the stipulated time. Hence, the last date for fee payment is **extended up to 30.10.2025**.

This serves as a gentle and final reminder to all students to remit the fees **on or before 30.10.2025 without fail**, as **no further extension will be granted**.

It is also observed that several students who have paid the fee through NEFT / RTGS have **not submitted their payment details** for generating the receipt. Such students are hereby instructed to **send the payment details by email** to the accounts section at the earliest, so that the receipt can be updated in the student portal.

HoDs are requested to ensure that all higher semester UG students of their respective departments complete the fee payment within the due date. After 30.10.2025, departments are required to submit the list of students who have not paid the fees to the undersigned. Such students shall not be permitted to attend classes, examinations, or any academic activities until the dues are cleared.
