VARUN MITRA – Skill Development
Programme
(Focus on Solar Pump)
[Duration : 03 (Three)Weeks]

About the Programme: VSDP aims to develop the skills of youth, considering the opportunities for employment in the growing Solar Water Pumping Project's installation, operation & maintenance in India and abroad. The VSDP is also designed to prepare the candidates to become new entrepreneurs in Solar Water Pumping sector. This is 3 weeks/ 21 days / 120 Hrs. residential skill development program following the Qualification Pack of Skill Council Green. The candidates with the following qualifications are eligible, however preference will be given to the candidates as indicated below:

Essential qualification: The candidate should be Diploma [Electrical/ Electronics/Civil/Mechanical] Passed or Final Year Engineering Students [Electrical/Electronics/ Civil/Mechanical]. During the selection of trainees, special emphasis to be given to the persons coming from rural background, unemployed youth, women, SC/ST candidates. Selection will be based on merit.

Age Limit: 20 years to 40 years.

At the end of the course, proper assessment will be made and certificates will be issued
